- 31.05(3)(a) Your Loan Debt. You must repay money that you borrow as student loans to pay for this program, including interest. You must repay any portion of the money you borrow to pay for this program, even if you fail to complete or drop out of the program. Failure to repay student loans is likely to have a serious negative effect on your credit, future earnings, and your ability to obtain future student loans.

- 31.05(3)(b) Loan Nonpayment Statistics. The Loan Nonpayment Percentage for the Massachusetts School of Barbering is the sum of the following:

*The most recent cohort default rate as calculated by the Department of Education is 0%;

*0% of the Massachusetts School of Barbering students defaulted on, or failed to repay, their loans during the period, 2020 to 2022, which are the years covered in the federal cohort default rate used to calculate the loan nonpayment rate.

- 31.05(4)(b)(1) Placement Rates. This rate is defined by the number of students who obtained full time (at least 32 hours per week) and non-temporary employment in the field of study during the latest two calendar years (2023-2024) for which the school has obtained verification, divided by the number of all students graduating from the program during the latest two calendar years. This rate is determined within 180 days from the end of the calendar year.

*Please note, this rate is calculated differently than the placement rates that are required to be disclosed by our accrediting agency (ACCSC) or by the Federal Gainful Employment disclosure. Massachusetts School of Barbering does not track how many hours a graduate works per week as some may be independent contractors or work part time in the industry. The percentages below do not reflect a true placement rate for the academy.

*0% of the barber styling graduates during the period January 1, 2023 to December 31, 2024 have obtained full-time non-temporary jobs in their field of study.

*0% of the barber styling students that enrolled in the program during January 1, 2023 to December 31, 2024 have obtained full-time non-temporary jobs in their field of study.

- 31.05(4)(b)(2) Employment Statistics. Employment statistics substantiating these placement rates are available for inspection on request. Also see out accrediting agency graduation and placement disclosures available upon request.
